

## **SEYDN Hubs Funding Criteria 2009-10**

### **How much money is available?**

Youth dance providers can apply for grants of between £200 and £2,000.

The total amount of funding available for the south east region is £12,000. This will be distributed in the following way:

Kent, Medway, East Sussex and Brighton & Hove - £2,700

Surrey and West Sussex - £2,700

Hampshire, Southampton, Portsmouth, Isle of Wight and Berkshire - £3,100

Oxfordshire, Buckinghamshire and Milton Keynes - £3,500

The different amounts available in each hub area reflect an under spend from the previous funding round.

### **Where has the money come from?**

This funding has been made available by Hampshire Dance and Youth Dance England as part of the regional youth dance programme for the south east.

### **Who can apply?**

The funds can be paid to any individual/organisation actively participating in the SEYDN Hub meetings.

### **What kind of activity is eligible?**

The funds can only be used to support not-for-profit dance activity that directly benefits young people of school age. The funds can be used to add value to existing activity or for new projects. All activity must take place before 31 March 2010.

Projects must address at least two of the following aims:

- widen access to dance
- raise the quality of dance provision
- improve progression routes for young people wishing to pursue a career in dance
- increase the number and range of opportunities for young dancers to present work

Priority will be given to applications from individuals/organisations working in partnership with other hub members and to projects with a focus on diversity of practice or participants.

This funding is intended to add value to the work of regional youth dance providers. It cannot be used to fund regular or on-going activity that would normally be carried out by the individual or organisation applying.

**How do I apply?**

Applications must be made in the form of short written proposals (including an outline budget) submitted to Hampshire Dance by 5pm on Friday 9 October 2009.

Applications should be submitted by email to [sophie.amstell@hampshiredance.org.uk](mailto:sophie.amstell@hampshiredance.org.uk)

**When will I find out if I've been successful?**

Final funding decisions will be made by Hampshire Dance by Monday 19 October 2009.

**What are the monitoring requirements?**

Individuals/organisations awarded funds will be expected to complete an end of project monitoring form and report back on the impact that the funds have made in a follow-up telephone conversation with a member of staff from Hampshire Dance.

**Further support**

Advice on the SEYDN Hub funding can be obtained from the Hub facilitators or from Hampshire Dance:
